

# Need help keeping track of your allergy shot schedule?

## THERE'S AN APP\* FOR THAT!

# Visionary allergyTRACKER

With the Visionary AllergyTracker app, you can review your injection history and future shots, receive notifications to remind you of upcoming or overdue shots and even view our office locations and shot room hours!

### GETTING STARTED IS EASY!

1. Scan the QR Code to find and download the app from the App Store.
2. Enter our office passcode: CAAC1952
3. Ask your injection nurse to help you complete the set-up process.
